PENPALS, the cutest little pen company, is nestled in the heart of a picturesque, whimsical village in **PORTLAND, OREGON**. With a history of spreading happiness for as long as 6 years that we can remember, this enchanting company has been crafting pens and stationery that are as sweet as a **BEAR HUG**.

What's truly heartwarming about **PENPALS** is that every pen carries a tiny, handwritten love note from our team, making your writing experience feel like a warm, fuzzy embrace. Our pens are so cute they could make a **KITTEN SMILE**! We've been turning moments into memories for our adorably loyal customers, and the whole town can't help but **GIGGLE WITH DELIGHT** at our pens' charms.
